MAJOR CLAY Stewart D1

To Major Stewart, 7-21-06

Sir. (7-15-06)

Mr. Stewart, from (6:30 AM) that morning I wrote request that my situation was a "urgent matter" after telling and other inmates demanding someone to come see about me.

You can go to C-Block ~~every~~ half I would say will verify what went on about Sgt. Hancock "how long it took and how I was treated."

I never got my medication that morning not until finally (Nurse Smith gave me something immediately around after 4:00 PM that evening that's how long it took for Sgt. Hancock to get me to nurse. And then, I was transferred to Hospital for more medication.

Need the grievance that I wrote you on this matter. Thank you!
(Nurse Bolt never SAW me that day!)

Also I had written two other request on 7-15-06 about needing emergency help (NOW) one about 10:00 AM after I wrote one earlier about this was a "urgent matter" I have copy of only one!

greetings Mr. Sid Lockhart

I'm writing this letter to you, letting you know that I'm being harassed without proper cause. I've been locked down in the Cell block for eight (8) Days, Now I've been put in Isolation, 10/29/07. Absolutely for nothing that I've contributed too.

I'm being punished without cause, for the conduct of other individuals (three (3) to be exact).

I was in my room reading a book, and confabulating with a inmate that comes in on the weekend when the fiasco transpired in F Block last Saturday night 10/20/07.

I'm being deprived of my liberty, as well as the few (very few) privileges that I have here.

If I was at fault in any way, I would man up. And take the disciplinary actions in stride. But I'm completely innocent, therefore I will not lay down.

I'll be filing and pursuing a 1983 Class Action Civil Suit against the facility, the Sheriff Sid Lockhart, the Major Clay Stewart and the Captain ~~Timothy~~ ~~Stuart~~ immediately.

I'm asking as a request, because I been already threatened by your administrators, and I feel that my life is in danger to be relocated and transferred to another Detention Facility as soon as possible.

As of Monday November fifth (5th) of 2007. If this matter has not been rectified and/or resolved. And I'm not liberated back into population with all privileges back. I'll then start my hunger strike, as well as the Civil Suit against you all.

Thanks Sincerely for your time in advance

Sincerely

P.S. I've also informed my attorneys of

Dear Sir,

7-17-06

Hope this finds you doing fine!

I want go into much details about the serious issues that's going on with me at this facility.

on 7-15-06, it took (9 1/2 hours) or so to get someone as Sgt. Hancock to see about my "urgent" High Blood pressure trouble I had. only then to be humiliated by him in front of several witness's. Etc Etc.

Major Stewart and Captain Sims can give you the serious grievance's details in my complaints!

Sgt. Hancock said "quit your crying you little bitch" "ain't nothing wrong with you."

Well, to his surprise after complaining and writing request's ^(9 1/2 hours) Nurse Smith checked it

^{2/13} (12) Long story short, I was immediately taken to Longdale emergency room ^(at Dr Quins request Etc)

Never been treated this worst by any Jail or prison. Mr. Sid, "I could've died!"

The grievance is not personal. just want to make sure this doesn't ever happen again.

It could be my son I save or yours!!

Sincerely,

P.S. Skip McCoy should have got word of this
..... I think this is serious too!
